Notification of a new APC request

When the author completes their journey, an email is sent to the librarian responsible for approving requests for the institute the author has said they are affiliated to.

The email provides information on the request

Open Access Platform

Article Publishing Charge pending approval

Dear Sir/Madam,

You have a new Article Publishing Charge to approve for Society Author.

Librarians click on button to manage the request on the Elsevier Open Access Platform

The welcome screen

Sign in to the Elsevier Open Access Platform.

The screenshot shows the 'Open Access Platform' welcome screen. At the top left is the Elsevier logo and 'Open Access Platform' text. At the top right is a 'Sign in' link. The main content area has a blue background with a leaf pattern. It features the heading 'Managing APC Requests made easy!' and a subheading 'Welcome to Elsevier Open Access Platform. Here's how it works:'. Below this are three numbered steps: 1. 'When there are new requests you'll receive a notification in your mailbox.' 2. 'On the platform you'll be provided with all relevant data (such as DOI-link, author credentials, journal and more) to effectively validate requests.' 3. 'You can then approve or reject the request. You can also notify the author on decisions made.' A 'Sign In >' button is located below step 2. A dark grey callout box points to the button with the text 'Sign in using the credentials provided as part of agreement on-boarding'. Below the button is a link: 'Trouble signing in? Please visit our [Support Center](#)'. The footer contains the Elsevier logo, copyright information 'Copyright © 2021 Elsevier B.V. Terms and conditions Privacy policy Cookie Notice', a cookie notice 'We use cookies to help provide and enhance our service and tailor content. Cookie Settings', and the RELX logo.

Managing APC Requests made easy!

Welcome to Elsevier Open Access Platform. Here's how it works:

- 1 When there are new requests you'll receive a notification in your mailbox.
- 2 On the platform you'll be provided with all relevant data (such as DOI-link, author credentials, journal and more) to effectively validate requests.
- 3 You can then approve or reject the request. You can also notify the author on decisions made.

RELX

The homepage

Click on the tiles to have access different areas of the platform.

The screenshot shows the Elsevier Open Access Platform homepage. At the top, there is a header with the Elsevier logo, the text "Open Access Platform", and navigation links for "Requests" and "Agreement dashboard". Below the header, there are three main tiles:

- Requests**: Review and manage all Article Publishing Charges. A callout box explains: "[Pending] Requests contains all Article Publishing Charges (APCs) that need to be actioned".
- Account settings**: View your personal information and manage your institution(s) and administrators. A callout box explains: "Your and your institutions' personal settings".
- Agreement dashboard**: View your Article Publishing Charge usage and balance. A callout box explains: "Details of the APC uptake and usage under the agreement".

At the bottom of the page, there is a footer with the Elsevier logo, copyright information (Copyright © 2022 Elsevier B.V.), links to Terms and conditions, Privacy policy, and Cookie Notice, and a statement: "We use cookies to help provide and enhance our service and tailor content. [Cookie Settings](#)". The RELX logo is also present in the bottom right corner.

Your Article Publishing Charge has been rejected

Dear Dr S Banner-Foster,

We are sorry to inform you that Dan Hoyle of the Economics Institute has rejected the Article Publishing Charge for the article listed below.

Article details

Article title

Test Article 12-04-22

Article reference number (PII)

TEST1649759808563

Journal title

Neurobiology of Disease Article Publishing Charge

Reason for rejection

Author not / no longer affiliated

Next steps

Please contact the Dan Hoyle directly if you have questions regarding their decision. Elsevier will allow 7 days for you to discuss this with the institution before issuing you with an invoice to the address you provided at the time of submission*.

Kind regards,

Researcher Support

* If the address needs to be amended, you need to advise of any VAT/Tax registration or exemption details, or if the rejection is reversed by the institution, please contact the Researcher Support Team using the Elsevier [Open Access Platform Support Center](#).

Approved requests tab

Shows a full history of all approved APCs overtime.

The screenshot displays the 'Requests' tab on the Elsevier Open Access Platform. The main interface shows a list of requests, with filters for 'Institution' and 'Author'. A callout box indicates that all approved APCs are ordered by approval date from most recent to oldest. A second callout box points to the article title, stating that clicking on it provides further details of the APC. An inset window shows the detailed view of a specific request, including the article title, author information, and APC details.
